

Cookies policy

What is a cookie?

A cookie is a file that is downloaded to your computer when the User accesses certain web pages. Cookies allow a web page, among other things, to store and retrieve information about the browsing habits of a user or their equipment and, depending on the information they contain and the way they use their equipment, they can be used to recognize the user.

What types of cookies are there?

There are several types of cookies depending on different criteria: Depending on the time they remain activated:

- **Session cookies.** They are a type of cookies designed to collect and store data while the user accesses a web page.
- **Permanent cookies:** They are a type of cookies in which the data is still stored in the terminal and can be accessed and processed during a period defined by the person responsible for the cookie.

Depending on the ownership:

- **Own cookies.** They belong to PREPARATS MORATO, SL
- **Third-party cookies.** They are those owned by a third party, other than PREPARATS MORATO, SL, who will be the one who processes the information collected.

Depending on the purpose:

- **Technical and / or personalization cookies.** They are those that serve to improve the service, locate incidents, recognize the user, etc.
- **Analysis and / or advertising cookies.** They are those that serve to analyze information about navigation and offer advertising, whether generic or personalized.

What types of cookies are most common?

- **TECHNICAL:** These are own cookies, session, identification, configuration and registration, strictly necessary for the identification of the user and for the provision of the services requested by the user. The information obtained through them is processed only by PREPARATS MORATO, SL
- **ANALYSIS:** These are those that, well treated by us or by third parties, allow us to quantify the number of users and thus perform the measurement and statistical analysis of the use made by users of the service offered. Therefore, your browsing on

our website is analyzed in order to improve the offer of products or services that we offer.

– **ADVERTISING:** These are those that, well treated by us or by third parties, allow the management, in the most efficient way possible, of the advertising spaces that could be included in our website and / or store information on the behavior of users obtained through continuous observation. Thanks to them, we can know the browsing habits on the Internet and show you advertising related to your browsing profile.

What is a cookie for?

Cookies are used to offer personalized services and / or advertising, to analyze the operation of the system, recognize when you access as a user, locate incidents and problems that may arise and solve in the shortest possible time, as well as analyze and measure the use and activity of the website.

Is my consent needed to implement a cookie?

Consent is not required for the installation of technical cookies or those that are strictly necessary for the provision of an information society service expressly requested by the recipient. For the rest, the consent of the interested party is needed that can be requested in different ways. In the case of PREPARATS MORATO, SL, it will be understood granted if you continue to use the website, without prejudice to the fact that at any time you can revoke and deactivate cookies.

What types of cookies does this website use?

Technical cookies: These are those created and managed solely by us, and allow the user to navigate through our website and use the different options such as identifying the session, personalizing information or accessing restricted access areas. The website of PREPARATS MORATO, SL, uses (or may use) Google Analytics, a web analytics tool developed by Google, which helps website owners measure how users interact with the content of the site. For the provision of these services, Google Analytics uses cookies that collect information, including the IP address of the user that will be transmitted, processed and stored by Google in the terms set on the website Google.com.
